

ITF-S150 enclosure

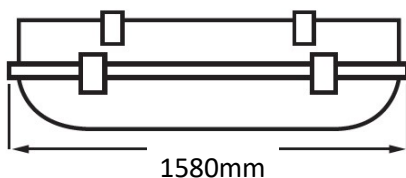

- *Ideal enclosure for our SILOX tube lights*
- *Withstands harsh barn environments with IP69 rating*
- *Easy installation with a durable and universal design*

Invest in the quality of your lighting system

The ITF-S150 is an ideal waterproof enclosure. It is a durable, easy to install and offers a universal mounting system that attaches to the ceiling, wall or a steel suspension cable. It can also be pendant-mounted or through-wired and daisy-chained on a string.

This single LED enclosure is designed with a vapor tight seal that is commonly used for commercial lighting applications. It features an IP69 rating and is available in both single and double versions.
